Most people have been DOMESTICATED and “Rocked to Sleep” – so use this simple but profound list of “LIFE PHILOSOPHIES” as their WAKE UP CALL!

- (1) What you **argue for**... you always get to keep!
- (2) What you can **walk away from**, predicts what you will invite!
- (3) People fascinated **by their own work** invite large crowds.
- (4) **Your attitude** is the librarian of your past, the poet of your present and the custodian of your future.
- (5) You don't have to get it right, you just have to get it going. The price of success **is failure**, NOT perfection.
- (6) When you can forfeit the **affections** and **opinions** of a few, you tend to gather the influence of the entire village.
- (7) The **more responsibility** you assume, the more money you earn. Always pray for more responsibility, **not money**.
- (8) Never quit that which you **can't go a day without thinking about**. To abandon your DREAM will invite HORROR!
- (9) **Who** you say you are, you will live to **prove as truth**.
- (10) The **integrity that you share** is the confidence you become. It's confidence people are attracted to.
- (11) People tend to like people, they see **LOVING other people**.
- (12) The MIND **can't tell the difference** from managing a lot from a little. Manage over a little, to manage over much.
- (13) True happiness is being able to **be joyful** over **NOTHING!**
- (14) **Doership is an attitude**. *Not a getting*. It's a feeling rich and sharing RICHLY without having to get paid for it.

“Preach the good news of the gospel at all times and when necessary, use words.”
